No Child Left Behind Act

2015
Every Student Succeeds Act (ESSA)
Homelessness: Children and Youth

Children and youth experiencing homelessness including those who lack a fixed, regular, and adequate nighttime residence.

- Sharing housing due to loss of housing, economic hardship, or a similar reason (“doubled up”).
- Living in motels, hotels, trailer parks, camping grounds, barns, sheds, hunting cabins, storage units—due to a lack of alternative, adequate accommodation.
- Living in emergency and transitional shelters.
• Living in public or private places not designed for or ordinarily used as regular sleeping accommodations for human beings.

• Living in cars, parks, public spaces, abandoned buildings, bus or train stations or similar situations.

• Abandoned in hospitals.

• Abandoned, throw-away, runaway children not living with a parent or legal guardian.

• Migratory children living in any of these situation.
Homelessness: Unaccompanied Youth

Children and youth who are not in the physical custody of a parent or guardian — unaccompanied youth.

Children under the age of 18 who temporarily reside with someone who is not a parent or legal guardian fall under this definition — the Homeless BEC states that this can be for “any reason.”
Homelessness: Youth 18+

Children over the age of 18 who are enrolled in K-12 education and have been “kicked out” of their home or left due to safety reasons or who are “doubled up.” No age range or citizenship requirement.
Homelessness: Temporary?

- Is the situation temporary?
- Has the family tried to access other services to find housing?
- Do they talk about wanting “a place of their own”?
- Do the children have their own bedrooms?
- Can the family afford other housing, but are choosing not to move?

McK-V in Action: Homeless Liaison’s Primary Role

• Identification and reporting.
• Ensure immediate enrollment and access to services.
• Inform parents and youth about all transportation services and help setting up transportation.
• Inform students, parents/guardians of educational rights.
Right to remain in school of origin for the duration of homelessness and until the end of an academic year in which they obtain permanent housing, if it is in their best interest.

**School of origin** — the school attended when permanently housed or the school in which last enrolled, including a preschool.
Schools will (when deemed reasonable and in the child’s best interest) provide students experiencing homelessness with transportation to and from their school or origin, at a parent/guardian or unaccompanied youth’s request. This is a shared responsibility between the district of origin and district of residence.
McK-V in Action: Enrollment

Attending classes and participating fully in school activities.

Enrollment must be immediate even if:
• No parent or guardian is accompanying the youth, unaccompanied youth typically enroll themselves.
• Students lack school, medical, or other records normally required.
• Enrollment or application deadlines were missed while homeless
• The student has history of absences or outstanding fines/fees
If a dispute arises over eligibility, school selection or enrollment, the child or youth must be immediately enrolled in the school in which the parent, guardian or unaccompanied youth seeks enrollment, pending resolution of the dispute, including all available appeals.

Dispute resolution process is outlined in Homeless BEC.
Title 1 Homeless Set-Aside monies must be used to support students with academic-related needs (tutoring, medical, counseling, supplies, uniforms, clothing, shoes, enrichment, extracurricular activities)

Funds can also be used to pay for transportation and the Homeless Liaison salary.
