

Help children and youth experiencing homelessness find their way to resources they need and deserve with Finding Your Way in PA app.

Finding immediate and long-term resources for children and youth experiencing homelessness and their families can be overwhelming for them and the professionals who support them.

Finding Your Way in PA app is a simple and effective way to empower children, youth, and their families experiencing homelessness to search for and contact a variety of services for shelter, food, health and mental health, education, and work.

Register as a service provider at findingyourwayinpa.app/login to display your organization's services to app users. More than 5,000 services are already listed. The more services listed, the more children, youth, and families experiencing homelessness are helped!

Help spread the word to those you serve and with other service providers in your communities by visiting our Community Outreach Toolkit webpage at bit.ly/3Dula2P.

Finding Your Way in PA

Finding Your Way in PA is a Pennsylvania-based mobile and desktop app designed to share services, resources, and information with young people and families, particularly those experiencing homelessness.

While using the app, users can search for and request assistance with services and resources in their current location, local communities, and throughout Pennsylvania to connect them with helpful supports.

The Finding Your Way in PA app is supported through the American Rescue Plan Homeless Children and Youth (ARP-HCY) Program. This program provides homeless children and youth with wrap-around services and enables homeless children and youth to attend school and fully participate in school activities.
